Inspiring lives
through learning

Welcome to Bournside

People are at the heart of Bournside. Rating us as “Good” in all areas, OFSTED saw that “staff well-being, as well as curriculum knowledge, are paramount”. Our staff and students are **Ambitious, Purposeful, Proud, Respectful, Curious, and Supportive**. These are our values and whilst you’ll see them written on our website and on our corridor walls, where you’ll really see them is in the way we work together, the way we talk to one another, the way teachers teach and students learn. All that leads to what OFSTED called “a harmonious school”.

Bournside is a large school with over 200 staff and over 1,800 students. That means we have the resources to provide a wealth of opportunities: a sports centre and 4G sports pitches; a fully equipped Drama studio, a large library, specialised English and Maths blocks, 12 science labs and specialist design, technology, computing and media rooms. Our highly successful sixth formers have their own large base with numerous study rooms.

No one gets lost in the crowd, however. Indeed, in their 2022 report, OFSTED commented on the “strong sense of community for both staff and pupils” and that “pupils are ready for learning and engage well with teachers and other adults.” Everyone is a member of one of our six houses; coupled with our vertical tutor group model, the house system aims to nurture and enhance that sense of family and community, strengthen home/school communication, and provide opportunities for older students to act as role models for younger students, enabling them to have meaningful conversations about school life and their future aspirations.

It’s not at all unusual for several generations from the same family to have been part of Bournside School. We’ve been part of the community of Cheltenham for many years having moved to our present site in Warden Hill in the early 1970s. Our value to the local community is developed in many ways: working closely with our neighbouring schools, taking the arts into the community, being the central hub for very many local sports teams, and, of course, being the school of choice for families in our part of Cheltenham and beyond.

I recommend you contact Will Penny, Deputy Head wjp@bournside.gloucs.sch.uk, before making your application. I would also very much encourage you to visit our school so you can see for yourself why it is a wonderful place to work.

There is a wealth of information about our school on our website, along with an application form should you wish to apply. We also ask for a supporting statement (maximum 2 sides of A4) outlining how you feel your experience, skills, and attributes would enable you to make a significant impact in the role. ***The deadline for applications is 9:00am on Monday 13th May 2024. Interviews will be held w/c 20th May 2024. However early application is recommended as we reserve the right to interview and appoint prior to the closing date.***

I look forward to receiving your application to join us in **inspiring lives through learning**.

Teacher of Maths

Start date: September 2024

Salary: MPS/UPS

Contract: Full-time, permanent

An outstanding opportunity has arisen to work in Gloucestershire's largest comprehensive school within our excellent Maths department.

We are an established 11-18 single academy trust with a good reputation (Ofsted 'Good' rating October 2022), wide catchment, and a strong presence in our community. Our school is consistently oversubscribed with a PAN of 300, and most of our students choose to stay with us for their post-16 study.

We are looking to appoint an enthusiastic Teacher of Maths to join a lively and enthusiastic Maths department based in a £2 million building at Cheltenham Bournside School, where Maths is a very popular subject. ECTs are encouraged to apply for the position.

The successful candidate will be a key part of the team, will teach Maths across the Key Stages and will contribute to the strengths of the department. They will teach Maths to highly motivated and talented pupils from Year 7 to 13, planning and preparing courses and lessons according to their educational needs and

providing guidance and advice on their further education and future careers.

You will be joining a Maths department consisting of the Head of Maths, 3 key stage leads and 12 teachers.

The Maths department occupies a central place in the academic life of the School with the teaching of Maths grounded in supporting students to acquire a deep understanding of mathematical concepts which they can then apply in a range of situations. The curriculum is carefully planned to support and extend the acquisition of knowledge and understanding. Details of the student learning journey can be found [here](#) in our Curriculum Map document.

A balanced Maths program, incorporating most of the features of the National Curriculum, is taught to pupils in Years 7, 8 & 9. Each class has one or two Maths teachers. In Year 10, students start their GCSE Edexcel syllabus course. A large number of students go on to study Maths and Further Maths at A Level. Post-18 the numbers that choose Maths courses at university are in stark contrast to national norms. Progress of students is above the national average at GCSE and typically in the top 25% of the country at A Level.

We are an equal opportunities employer and value and respect diversity across our whole school community. Bournside is committed to safeguarding and promoting the welfare of children and young people. All posts are subject to an enhanced DBS check. Training Partner

We are partnered with our local Teaching School Hub who use UCL as their main delivery partner. Through our partnership with our Teaching School Hub, you will attend face-to-face cluster meetings with other ECTs in the region and grow your network of other new teachers in your area of subject expertise.

We use Doug Lemov's *Teach Like a Champion* as a core text as part of this training and, consequently, provide a free copy to all ECTs. We also pay for membership to the Chartered College of Teaching for all ECTs.

Supporting workload

As an ECT, you will have a reduced timetable. We use an online tracker aligned with the Teacher Standards which allows you to quickly track activities and areas for development throughout the two-year programme.

What our ECTs say:

"My tutor and mentor could not have done more for me, I am so grateful for everything they have done to make time for me and support me in a really personalised and transformational way."

"I am so happy with the decision I made to get a job at Cheltenham Bournside. Both my mentor and induction tutor have been so supportive - nothing is too much trouble and they have always had time in order to support me and assist me."

ECT Year 1
